Part List

Layout and count all parts as shown in the assembly diagram. Notify Customer Service immediately if any parts are missing or damage has occurred during shipment.

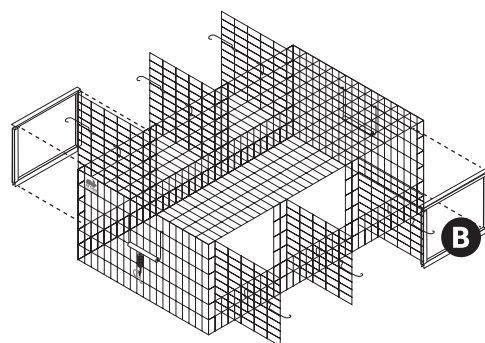

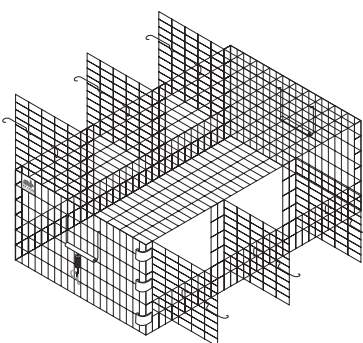

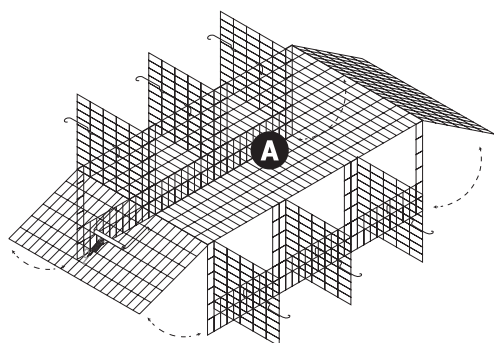

Qty Description			Qty Description		
 A	1	Main Panel Sub Assembly	 E	1	Transport Tray
 B	24	Door Guards	 F	2	Pack of Cage Clips
 C	1	Partitions	 G	4	Hardware (screw & nut)
 D	1	Flooring			

✓ Step-By-Step

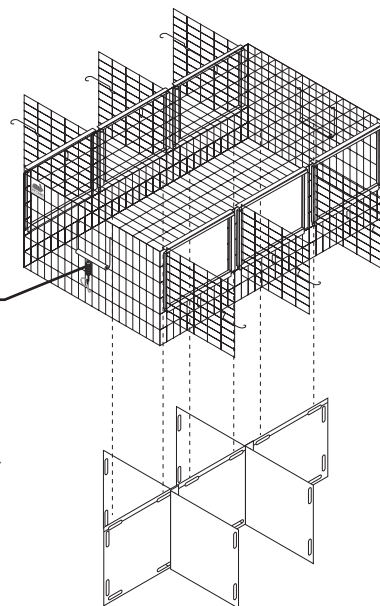

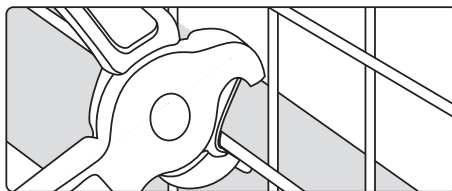

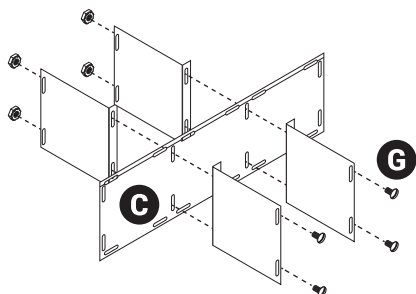

Cage clip pliers are recommended for assembly.

1 **Unfold main panel sub assembly (A) so that each side panel meet at the corners.**

2 **Attach front, back and side panels using cage clips (F) every two inches.**

3 **Snap door guards (B) around edges of door opening. Repeat steps for all size doors.**

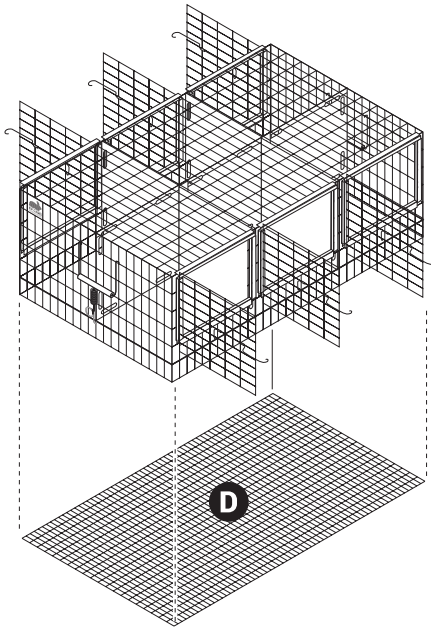

4 **Pre-assemble partitions (C) using the included hardware (G). Secure together using a screwdriver and wrench.**
Note: Bent tabs should face to the right when viewing from the hemmed side of large partition.

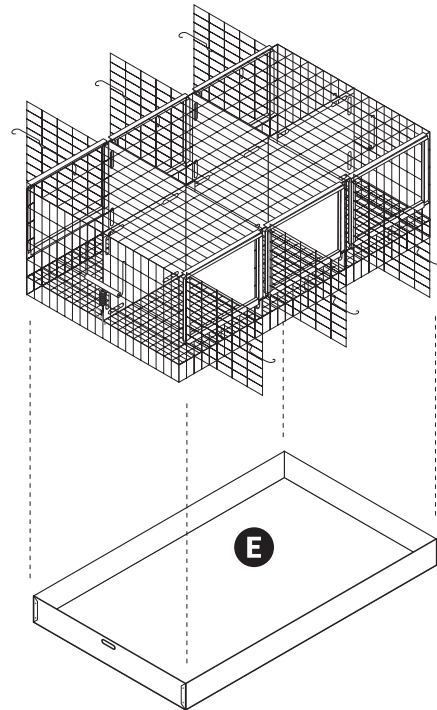

5 **Insert pre-assembled partitions into cage and secure using clips at every slot.**

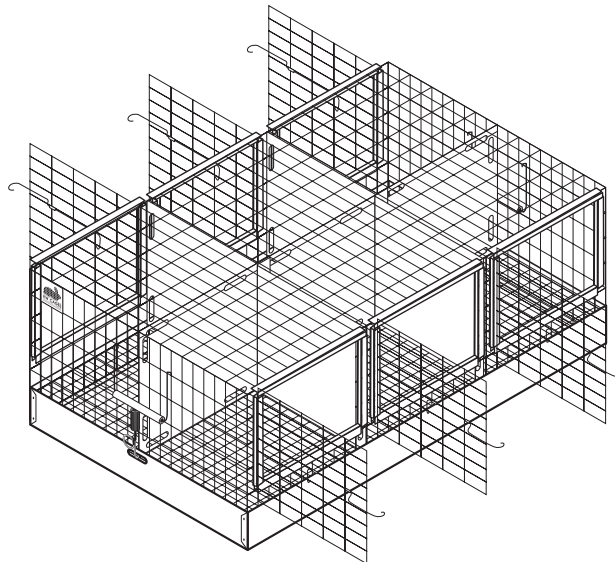

✓ Step-By-Step

6 Attach flooring (D) to cage, two inch up from the bottom of side panels using cage clips every two inches.

7 Position cage so that it sits inside tray (E) once assembly is completed.

8 Using spring hook, attach cage to secure the tray during transport.
