### Size

SKU	(L x W x H)
3960	24" X 16" X 12"
3961	28" X 18" X 12"
3964	24" X 24" X 12"

Layout and count all parts as shown in the assembly diagram. Notify Customer Service immediately if any parts are missing or damage has occurred during shipment.

Drawing is representative of most models. Some variations between models may occur.

### WARNING

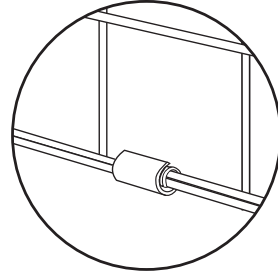

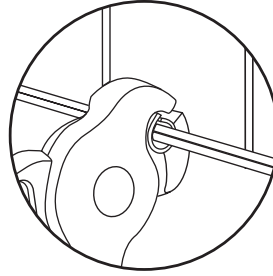

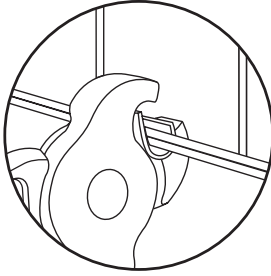

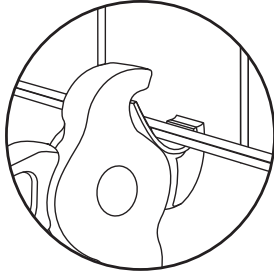

Wire panels and sheetmetal parts may have sharp edges, especially when handled as loose components. Use caution when handling or performing cage assembly and maintenance. Always wear gloves and safety eye-protection to help reduce the chance of personal injury.

## ASSEMBLY INSTRUCTIONS

Cage clip pliers are recommended for assembly.

**1** Unfold the back/side panel (A) and secure to front/top panel (B) so that they meet along the edges using cage clips (E) every three inches.

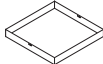

**2** Snap door guards (C) around edges of door openings.

**3** Position cage so that it sits inside tray (D).

**4** Use spring hook to attach cage to secure the tray during transport.
